

East Boston Savings Bank Charitable Foundation
Awards over \$640,000 in grants to 145 community organizations

The East Boston Savings Bank Charitable Foundation awarded \$643,325 in grants to 145 nonprofit organizations throughout Greater Boston. Due to Covid-19 the Foundation's Annual Breakfast which recognizes each of the organizations causes was cancelled this year. "East Boston Savings Bank recognizes the challenges these organizations faced in 2020. These grants are one small way we can help them keep their organizations operating for their constituents," says Richard Gavegnano, EBSB's Chairman, President and CEO.

The East Boston Savings Bank Charitable Foundation was established in 1998, to provide funding to support charitable causes and local development activities within the communities of East Boston Savings Bank. Since its inception, the Foundation has distributed over \$7 million in support of many deserving charitable causes and development activities across Massachusetts.
